## Alamo City Safety Summit from the Texas Department of Insurance, Division of Workers' Compensation

AUSTIN, TX &ndash; The Texas Department of Insurance, Division of Workers' Compensation (TDI-DWC) will present a regional workplace safety workshop in San Antonio, Texas on Tuesday, January 15, 2008 at the Henry B. Gonzalez Convention Center located at 200 E. Market Street. The Alamo City Safety Summit is one of several Regional Safety Summits offered by TDI-DWC in multiple regions around the state. The cost is \$125 per person and includes coffee and snacks.

TDI-DWC is hosting this workshop due to the high incidence of workplace injuries involving sprains and strains and workplace fatalities resulting from transportation-related incidents. The workshop will offer breakout sessions to help employers and employees prevent these common causes of injury and death. Participants may choose the sessions they wish to attend; each session will be repeated once during the day.

Another workshop session will address issues in the construction industry specifically. TDI-DWC instructors will present a 10-hour General Construction course. Each participant completing this session will receive an Occupational Safety and Health Administration (OSHA) completion card.

Texas State Technical College, Waco will provide continuing education credits (.1 CEU per 1 class hour).

Register for the Alamo City Safety Summit online at <http://www.tdi.state.tx.us/wc/safety/employers.html> under "Regional Training Seminars." For more information, contact the TDI-DWC at 512-804-4610 or [safety.training@tdi.state.tx.us](mailto:safety.training@tdi.state.tx.us).
